

2024 ECEC Organizational Chart

Notes for 2024 ECEC Org Chart

- The Management Team (Facilities, Operations, Education Programs & Exec Director) oversee planning and day-to-day operations
- Circles/ovals represent staff positions; most are part time or seasonal
- Hexagons are not staff positions. In August, Wellness Initiative positions will be restructured. Our WI Lead will become a staff Community Health Worker; our AmeriCorps member's position will wrap up
- Hearts are volunteer project coordinators (we have nearly 100 volunteers)
- ECEC also has contractors: CPA, payroll accountant, website maintenance, marketing support, legal, equip repairs, plumbing and construction projects
- We hope to re-create the Marketing/Event Coordinator position in the future
